

OPPORTUNITY #1 - SIMPLE SUPPORT RESOURCES

Are you managing “leading edge”, state of the art projects?

Do you require some quick – ad-hoc, knowledgeable resources to assist with your project duties?

Senior assistance can be given with project development, documentation, including charters, system specifications, test & quality plans, etc.

With our low overhead, we can perform these duties in a cost effective manner possibly allowing you with the ability to mark-up the time to the customer, or easily absorb it into your budget.

This assistance can allow you to get to more essential and productive tasks that are essential to your project.

We offer:

- ☑ Reliable & Dependable
- ☑ Confidential & Professional
- ☑ Ethical
- ☑ Simple Cost Structure
